

ABOUT THE DZA COUNCIL

Becoming a Member of The DZA Council is an opportunity to invest in The 3 Doors efforts to transform thousands of lives through meditation and nurture a vibrant, diverse practitioner community.

Today the 3 Doors has practitioners in twenty countries around the world, with programs being offered internationally online and in-person. The organization is at a critical point in its evolution, poised to grow, with a thoughtful vision and business plan in place for the next three years. This vision will be realized by investing in new programs and teacher training, expanding and deepening curriculum for all, and connecting with, and serving, new and underserved communities and populations.

To accomplish this, and to establish a stable, flourishing future for the 3 Doors, we urgently need to invest in building capacity to support sustainable growth. Through the DZA Council, we are reaching out to connect with supporters who feel inspired to invest in the core capacity of the 3 Doors. The DZA Council is our group of “angel investors”!

The transformative experience of the practices is a tremendous benefit on its own. The 3 Doors team is also conducting rigorous scientific research to test the benefits of practice in the fields of healthcare, education, and physical and emotional well-being in everyday life. It’s exciting to think about how these programs can grow and support so many others.

The next few years are pivotal for us. We have several newly launched or soon-to-be launched programs that will require up-front investment and ongoing nurturing. To support our operational plans, we need to raise \$60,000/year during 2018-2020. For example, we know that we can reach our goal by receiving gifts at this level:

2 Members @ \$10K

4 Members @ \$5K

6 Members @ \$2K

7 Members @ \$1.2K

FOUNDING COUNCIL MEMBERS

- 3 year commitment,
\$1200 minimum annually (\$100 monthly).
